

FISCHBACH-COMPACT-FANS - CFE-series single inlet, superflat - speed controller assignment -

assignment of the speed controllers for Compact Fans, type: CFE single inlet

E = single-phase 230V, 1N~, 50 Hz				automatic speed control		speed controller, stepless		speed controller, stepwise	
				with casing, without sensors and pre-set device		with casing, with rotary knob and scale		with casing, with 7 step switch
